Looking for free birth control?

ican!

People of all ages and all genders can get coverage for birth control, STI testing and treatment, and other services with no out-of-pocket cost with Family Planning Medicaid!

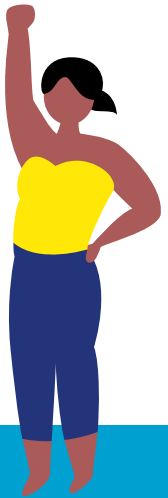

You can apply if:

- You're a resident of North Carolina.
- You're a U.S. citizen or have a qualifying immigration status.
- You are not already enrolled in Medicaid.
- Your household income, before taxes, is less than or equal to:
  - $2,544/month for a family of 1
  - $3,437/month for a family of 2
  - $4,331/month for a family of 3
  - $5,225/month for a family of 4
  - $6,119/month for a family of 5
  - $7,012/month for a family of 6

Here's what you can get for free:

- Most FDA-approved birth control methods, including emergency contraception, IUD, implant, pills, patch, ring, Depo-Provera, tubal ligation and vasectomy.
- Annual check-up and labs.
- STI testing/treatment and HIV screening and education.
- Pap test and follow up
- HPV vaccines.

You should also know that...

- You can apply if you have private insurance that doesn't cover birth control, including IUDs, or if you have privacy concerns about using your insurance.
- You can apply at ePass.nc.gov by filling out the application for medical assistance.
- Once you're covered, you can get care at any provider who accepts North Carolina Medicaid.
