Looking for free birth control?

People of all ages and all genders can get coverage for birth control, STI testing and treatment, and other services with no out-of-pocket cost through the Family Planning Only Services (FPOS) Program!

You can apply as an individual if:

- You're a resident of Wisconsin.
- You're a U.S. citizen or have a qualifying immigration status.
- You make $48,838 or less a year before taxes.
- You are not already enrolled in Medicaid or BadgerCare Plus.

Here's what you can get for free:

- Annual check-up.
- All FDA-approved birth control methods, including emergency contraception, IUD, implant, pills, condoms, patch, ring, Depo-Provera, tubal ligation and vasectomy.
- STI testing/treatment.
- Pap smears/ pap follow-up.
- HPV and MPOX vaccines.

You should also know that...

- Some providers can help you get same-day coverage through Express Enrollment. Ask your provider if you can enroll in immediate, temporary coverage through Express Enrollment, today!
- You can apply for 12 months of coverage at access.wi.gov. Check “Family Planning Only Services” on the “Programs you’re applying for” page of the application.
- You can apply if you have private insurance that doesn’t cover birth control, including IUDs, or if you have privacy concerns about using your insurance.
